

Sanitary partition wall type EF-3

Sandwich elements with solid grade laminate surface

schäfer[®]
Trennwandsysteme

Stylish and elegant partitioning.

BEFORE WE
EXPECT TRUST FROM
OUR CUSTOMERS,
WE PROVIDE EVIDENCE
that's us!

ENVIRONMENT & SUSTAINABILITY *that's us!*

Sustainable management and careful use of resources are a matter of course for us and part of our corporate philosophy. This basic idea is consistently integrated and lived in our work processes. We are proud to be the first certified manufacturer of partition systems and lockers in Germany to operate according to the FSC™ and PEFC guidelines.

PEFC - registered

We pay attention to a sustainable supply chain in which our products are procured under ecological, economic and socially just aspects.

FSC™ - certified

As the first certified manufacturer in the area of partition systems and lockers in Germany, we make an active contribution to the protection of our earth with this future-oriented procurement method. We supply almost our entire range from sustainable wood in accordance with the specifications of the FSC™.

On request
the products are
available with
FSC™ certification

CLEAN & HEALTHY INDOOR CLIMATE *that's us!*

Products that have received Greenguard Gold certification have been proven to provide a better and healthier indoor climate by helping to reduce chemical pollution in the air. The Greenguard Gold certification focuses in particular on health-related test criteria and extremely low chemical emission values, so that products tested according to this standard can also be used without problems in sensitive environments, such as schools or healthcare facilities.

TÜV NORD GS TESTED SAFETY *that's us!*

Tested and certified by TÜV NORD these products meet the requirements of the Product Safety Act ProdSG § 21
Registration No. 44 329 14148801

MADE IN GERMANY *that's us!*

Our products are manufactured for you at the company site in Horhausen, Rhineland-Palatinate. This is the only way we can guarantee the high quality standards we set for our products.

PREQUALIFIED *that's us!*

We are registered in the list of prequalified construction companies with the number 010.049740, proving that we are qualified for the products and services we offer.

INNOVATIVE & DESIGN-ORIENTED *that's us!*

With our design-oriented and innovative products, we convince not only our customers, but also national and international committees.

reddot winner 2021

Cubicle systems for highest demands.

The Schäfer EF-3 cubicle stands for the highest perfection in cubicle construction. An outstanding design, high stability and absolute water resistance allows this system to be used in all areas. EF-3 is the ideal choice for bathrooms with a high number of visitors. The wide range of design options will put the crown on your sanitary room and ensure a special user experience.

Interesting facts about EF-3

WC partition walls made of 36 mm thick sandwich elements with HPL surface

- Integrated torsion-resistant aluminium frame
- Easier cleaning and efficient maintenance
- Flush front
- Durable construction
- Effective and durable finger pinch protection
- High-quality anodised aluminium hardware system
- Fully waterproof construction
- Suitable for wet and dry areas
- Large variety of decors and colours
- Customised motif prints are possible
- System will be produced acc. to the building site dimension

(1)

Privacy screens made of glass

- Wall hanging construction
- Made of enamelled safety glass (ESG-H)
- Mounting by means of discreet aluminium or stainless steel brackets
- Hygienic and easy to clean
- Waterproof
- Easy floor cleaning due to the construction
- Colour selection according to RAL colour chart
- Motif prints optionally possible
- Privacy screens will be produced acc. to the building site dimension

(2)

Privacy screens type SV30

- Wall-mounted privacy screens
- Made of 30 mm thick chipboard
- ABS strips and panels in the same colour
- Installed with durable aluminium holders
- Wall-mounted structures without bottom support feet are particularly hygienic, since floor cleaning can then be faster and more efficient
- Wide range of colours available
- Motif prints are optionally available
- Privacy screens will be produced acc. to the building site dimension

(3)

Privacy screens type VK13

- Wall-mounted privacy screens
- Made of 13 mm solid grade laminate
- Revolving edge is always black
- Installed with durable aluminium holders
- Waterproof
- Wall-mounted structures without bottom support feet are particularly hygienic, since floor cleaning can then be faster and more efficient
- Wide range of colours available
- Motif prints are optionally available
- Privacy screens will be produced acc. to the building site dimension

Features type EF-3

Supports:

- Stainless steel supports, height-adjustable

- Aluminium supports, height-adjustable, price neutral

Hinges:

- Anodised aluminium rising hinge with high-performance polymer
- Treads guarantee absolute freedom from maintenance and a silence, self-closing of the door
- Door hinges are generally used for door openings over 110°

- Optional available: hinges located in the door rebate which ensure a complete flush front wall
- Optional available: internal tube door closer for a self-closing function of the door

- Self-closing doors through an integrated tenon hinge for a max. door opening of 110°
