## Floating toilet partitions.

The use of recessed supports and a recessed headrail gives a floating impression to the toilet partition wall SVF30 JUMP. This ensures a certain lightness and a lot of elegance in the sanitary room. A play of colours allows countless design possibilities and with motif prints, every partition becomes unique. SVF30 JUMP is ideal for the implementation of individual room concepts in dry WC rooms.

#### Interesting facts about SVF30 JUMP

##### WC partition walls made of 30 mm thick chipboard with ABS strips

- Recessed supports and headrail give a floating look
- Floor clearance ensures a quick and effective cleaning
- ABS strips in the same colour as the panels
- Wall connections are done as shadow gap
- Hardware made of anodized aluminium
- Flush fitted front on the outside of the cubicle
- Easy to clean and maintenance construction
- Suitable for dry rooms
- Large variety of decors and colours
- System will be produced acc. to the building site dimension
