OUR CUSTOMERS,
WE PROVIDE EVIDENCE
that's us!

ENVIRONMENT & SUSTAINABILITY *that's us!*

Sustainable management and careful use of resources are a matter of course for us and part of our corporate philosophy. This basic idea is consistently integrated and lived in our work processes. We are proud to be the first certified manufacturer of partition systems and lockers in Germany to operate according to the FSC™ and PEFC guidelines.

PEFC - registered

We pay attention to a sustainable supply chain in which our products are procured under ecological, economic and socially just aspects.

FSC™ - certified

As the first certified manufacturer in the area of partition systems and lockers in Germany, we make an active contribution to the protection of our earth with this future-oriented procurement method. We supply almost our entire range from sustainable wood in accordance with the specifications of the FSC™.

First-class optics. High-quality ambience.

The SVFG40 ALTUS toilet partition wall gives the sanitary room a particularly elegant touch. The first-class design of the SVFG40 ALTUS speaks for itself, as the selection of the highest quality materials and the construction which is custom-made down to the last detail. The system is closed from floor to ceiling. This creates a separate, private area for the users. The perfect choice for sanitary rooms with that certain extra touch of exclusivity, a feel-good ambience and maximum privacy.

Interesting facts about SVFG40 ALTUS

WC partition walls made of 40 mm chipboard panels with 0.9 mm HPL surface

- Exclusive optics
- Room-high system, closed from floor to ceiling
- Own private area for the user
- Maximum privacy guaranteed
- Edges made of varnished real wood
- Rebated doors
- Completely flush toilet partition wall
- Easy to clean and maintain construction
- Hinges in door rebate optionally available
- Suitable for drying rooms
- Large variety of decors and colors
- Motif prints optionally possible
- Motifs are already inserted during the production process of the plates
- This creates an extremely scratch-resistant and robust surface
- System will be produced acc. to the building site dimension

Privacy screens

- Wall-mounted privacy screens
- Made of 30 mm thick chipboard
- ABS strips and panels in the same colour
- Installed with durable aluminium holders
- Wall-mounted structures without bottom support feet are particularly hygienic, since floor cleaning can then be faster and more efficient
- Wide range of colors available
- Motif prints are optionally available
- Privacy screens will be produced acc. to the building site dimension
