INNOVATIVE & DESIGN-ORIENTED
that's us!

With our design-oriented and innovative products, we convince not only our customers, but also national and international committees.

Floating elegance.

The Schäfer glass cubicle system VITRUM II. A floating impression is achieved through a recessed head rail and recessed feet. The modern and understated design of the fittings optimally underlines the high-quality character of glass. The 10 mm strong single safety glass, in connection with anodised aluminium fittings, guarantees the highest stability and durability.

Interesting facts about VITRUM II

Sanitary partition walls made of enamelled safety glass

- Consisting of 10 mm toughened safety glass (ESGH) with Heat-Soak-Test
- Optionally available with soft close function
- Recessed feet and recessed head profile give a floating appearance
- No support feet visible in the front
- Cleaning and maintenance can be carried out more efficiently due to the ground clearance
- High-quality aluminium hardware system
- Very exclusive and highly stable WC partition
- The material glass protects against vandalism due to its surface quality
- Colour selection according to RAL colour chart
- Motif prints optionally possible

(4)

Privacy screens

- Wall hanging construction
- Made of enamelled safety glass (ESG-H)
- Mounting by means of discreet aluminium brackets
- Hygienic and easy to clean
- Waterproof
- Easy floor cleaning due to the construction
- Colour selection according to RAL colour chart
- Motif prints optionally possible
- Privacy screens will be produced acc. to the building site dimension

Interesting facts about VITRUM II

- WC partition walls and glass privacy screens with the same motif print
- For the design of perfectly coordinated room concepts
- Customer-specific motif prints enable unique partition wall designs
- The motif is already printed on the carrier plate during glass production. This gives the glass the same high surface quality as conventional screen printing
- Themed concepts can thus also be perfectly realised in the sanitary area

(2)+(3)

Privacy screens

- Made to measure
- Mounting by means of discreet aluminium brackets
- Wall hanging construction
- The floor clearance enables efficient cleaning

Advantages of glass installations in the sanitary area

- Very high quality due to the nature of the material
- Especially hygienic
- Easy to clean
- Robust and durable
- High resistance to mechanical damage
- Elegant Design
- A perfect impression even after many years of use
